MEMORANDUM FOR: CHIEF, EE-I

SUBJECT: EE-I Daily Progress Report  
Wednesday, 19 December 1951

1. BOFIEND. A. Details have been received on the procedure that will be used for the first BOFIEND propaganda supply drop. The covert plane will be loaded with 400 bags containing five cans each. Each bag will be attached to a small parachute. The contents of the cans will include razor blades, needles, and other small, scarce consumer goods. The plane will also carry 500 bags containing one pound of white flour each. These flour bags are designed to sustain a free fall.

The targets for this drop are the <sup>Towns</sup> towers of Kruja, ten miles north of Tirana and Korcha in Southeast Albania. It is understood that this drop will be made during the first night of favorable weather.

B. ATHENS Has reported that the December Resupply Drop was successfully completed on December 18/19. This is the 1st successful supply drop to this town since the
